

Dear Parent or Guardian,

Your child has been invited to participate in the Some Other Solutions after-school program SportPlay. SportPlay is a weekly, 60 minute program designed to give children an outlet where they can both exercise and learn valuable life skills. Students are expected to show sportsmanship, teamwork and resilience. The program believes these skills are strengthened through working together in a competitive, active and safe environment.

SportPlay takes place on school grounds and registration is free and open to children from Grade 4-6. This program takes place from January through to April. Each program is led by qualified staff alongside volunteer facilitators. Each session is also attended by a certified ATA, provided by the school.

Should you have any questions or concerns regarding the After School SportPlay Program, your child's school or I can provide you with additional information. If you would like your child to participate in the program, talk to him/her. If he/she is willing, please grant your permission by signing below.

Thank You,

Isy Castillo
