

Dear Parent or Guardian,

Your child has been invited to participate in the Some Other Solutions' after-school "**SportPlay**" program! Designed to give children an outlet to exercise both their body and mind, sportsmanship, teamwork, resilience, and perseverance are just some of the qualities that are expected and encouraged in SportPlay. Our Child & Youth team firmly believes that these skills are strengthened through working together in a competitive and safe environment. With the increasing access and usage of technology by our youth, SportPlay gives children the opportunity to unplug from their screens and discover hidden strengths and talents.

The SportPlay program consists of weekly 60-minute sessions for students from grades four to six (4 – 6). All sessions are held on school grounds and after-school hours, led by a Some Other Solutions' Community Outreach Worker (Mentor) or volunteer. Sessions will also be attended by a certified ATA member from your child's school.

All staff and volunteers associated with Some Other Solutions have been thoroughly trained, screened and investigated to ensure that they are deemed fit and safe to work with your child. Should you have any questions or concerns regarding the SportPlay Program, your child's school or the Mentor can provide you with additional information. If you would like your child to participate in the program, talk to them about the program. If they are willing and comfortable with the program, please grant your permission by signing below.

Sincerely,

Isy Castillo
